**Parents/ Guardians** - What a great start to our school year! Thank you to all of the families that were able to donate supplies to classrooms - it is very much appreciated! Parents that are picking up students at the end of the day... thank you for being patient with us! The bottom line is that we want to ensure safety for your child. Our parking lot is very busy at the end of the day and we do not want students running into the parking lot without an adult. We would also like to document who students are going home with.
